

CHILD SUPPORT STANDARDS CHART
prepared by
NEW YORK STATE OFFICE OF TEMPORARY AND DISABILITY ASSISTANCE
DIVISION OF CHILD SUPPORT ENFORCEMENT

This Child Support Standards Chart can be used to determine an approximate annual child support obligation. For a detailed, legal explanation of all factors used by the court in calculating a child support obligation, you should consult section 413 of the Family Court Act. Please note, for incomes that fall within the stated chart intervals, use of the percentages listed below will result in a more precise calculation than the interval amounts included in this chart.

The current poverty income guideline amount for a single person as reported by the United States Department of Health and Human Services is \$10,830 and the current self-support reserve is \$14,620.

Note: Where the total income of both parents exceeds \$130,000 the law permits, but does not require, the use of the Child Support Percentages in calculating the child support obligation on the income above \$130,000.

Child Support Percentages

One Child	17%
Two Children	25%
Three Children	29%
Four Children	31%
Five + Children	no less than 35%

The following calculations refer to non-custodial parents only:

- 1 Annual Income* 1
- 2 Approximate Basic Child Support Obligation ** 2
- 3 Subtract line 2 from line 1. 3
 - a. If line 3 is greater than or equal to \$14,620 (the self support reserve) enter the line 2 amount on line 7 below. No further calculations are necessary.
 - b. If line 3 is less than \$ 14,620 proceed to step 4.
- 4 Annual Income (copy from line 1) 4
- 5 Self Support Reserve 5
- 6 Subtract line 5 from line 4 6
 - a. If line 3 is less than \$10,830 (poverty level), enter on line 7 the greater of \$300 or the amount from line 6.
 - b. If line 3 is greater than or equal to \$10,830 (poverty level), but less than \$14,620 enter on line 7 the greater of \$600 or the amount from line 6.
- 7 APPROXIMATE BASIC CHILD SUPPORT OBLIGATION ** 7

* Income is defined by Family Court Act Section 413 (b) (5). Income includes gross total income as reported in the most recent federal income tax return. To the extent not already included in gross income, add investment income, voluntarily deferred income, and income received from the following: worker's compensation, disability benefits, unemployment insurance benefits, social security benefits, veterans benefits, pension and retirement benefits, fellowships and stipends, and annuity payments. Income deductions include unreimbursed employee business expenses, alimony or maintenance or child support actually paid to a spouse or on behalf of a child not a party to the instant action, public assistance, supplemental security income, New York City or Yonkers income or earnings taxes actually paid, and Federal Insurance Contributions Act (FICA) taxes actually paid.

** The Basic Child Support Obligation is defined by Family Court Act Section 413 (1) (b) (c) and (d). The basic child support obligation includes the amount resulting from multiplying the non custodial parent's income by the appropriate child support percentage, plus the non custodial parent's share of educational and child care expenses where appropriate.

Where the total income of both parents exceeds \$130,000, the law permits, but does not require, the use of the Child Support Percentages in calculating the child support obligation on the income above \$130,000.
